

Our Vision

To transform Sapthagiri NPS University into a globally integrated academic ecosystem by leveraging strategic international partnerships, enabling cross-cultural knowledge networks, and advancing collaborative research and innovation across global learning platforms.

Our Mission

To architect and sustain high-impact international collaborations through dynamic global partnerships, Memoranda of Understanding (MoUs), and mobility programs that accelerate academic excellence, foster interdisciplinary research ecosystems, and empower students and faculty with immersive global learning experiences while amplifying the university's presence in the international academic landscape.

MOMENTS FROM OUR CAMPUS

Building Global Bridges, Empowering Future Leaders

Department of International Collaborations

Message from the Director

Welcome to the Department of International Collaborations (DIC) at Sapthagiri NPS University (SNPSU), the university's strategic hub for global academic engagement and international partnerships. DIC drives the Internationalization of SNPSU through student and faculty mobility, collaborative research, and strategic alliances with leading global institutions. By fostering cross-cultural exchange and interdisciplinary innovation, the department strengthens the university's global academic ecosystem and expands opportunities for impactful learning and research. Through international programs and partnerships, DIC empowers the SNPSU community to engage with diverse perspectives and contribute meaningfully to global knowledge and future-ready education. Let us be your bridge to the world, fostering connections that can lead to invaluable experiences and partnerships that inspire and educate.

"Together We Create Pathways to Global Excellence"

– Dr.A.V.Lal

Key focused area

- **Student Exchange Programs:** Student internships, short-term & long-term projects at international universities.
- **Faculty Collaborations:** Supporting joint research projects and academic partnerships with international universities.
- **Bilateral Agreements:** Establishing Memoranda of Understanding (MoUs) with international institutions.
- **International Workshops & Conferences:** Organizing and hosting global academic events.
- **Dual Degree Programs:** Developing joint academic programs with international partner universities.
- **Global Networking:** Building and maintaining relationships with international educational organizations and welcoming international students to SNPSU.

International Partnerships

- Cross-institutional research initiatives
- Twinning and validation programs
- Faculty, Student and Staff exchange
- Joint academic publications and knowledge dissemination

Student Exchange & Mobility

- Semester abroad programs at partner institutions
- Short-term international internships and field studies
- International certifications and training programs
- Scholarship opportunities for outbound mobility
- Support for inbound international students and cultural integration

Research & Collaboration

- Joint research grants and funding applications
- International conferences and academic presentations
- Co-authored publications in peer-reviewed international journals
- Capacity building through international academic mentorship

Quality Assurance & Accreditation

- Regular review and evaluation of partnership outcomes
- Compliance with international educational standards
- Recognition of credits and qualifications from partner institutions
- Integration with institutional quality assurance frameworks

How We Support Our Students & Faculty

- **Application Assistance:** Guidance on visa, admission, and application processes
- **Pre-Departure Orientation:** Workshops and resources to prepare for international experiences
- **Financial Support:** Information on scholarships, grants, and cost management
- **Academic Recognition:** Coordination of credit transfer and degree validation
- **Mentorship & Networking:** Connection with alumni and international academic communities
- **Re-Integration Support:** Post-return programs to help students leverage their international experience
