

MENTOR- MENTEE PROGRAM COMMITTEE

PREAMBLE

NMC GUIDELINES dated 31st August 2024

Every college shall arrange for a meeting with parents/ wards of all students and records of the same shall be made available to UGMEB of NMC

Mentor- mentee program shall be carried out judiciously, with the ratio of 1 Mentor to 3 mentees.

Mentor may be selected from all disciplines from the level of Professor/ HOD to Assistant Professor. Mentor shall be allotted his mentees during the foundation course itself from Phase 1.

The mentee shall stay connected with the Mentor throughout his career till he completes CRMI. Each year when 3 new mentees are added from phase 1 to the mentor, the senior batch students shall support the junior students and create a healthy sibling environment (instead of ragging).

Responsibility of Convener:

- To coordinate the allocation of Mentors to Mentees as per NMC Guidelines for every Academic admission batch
- To arrange for Mentor Mentee meetings, atleast one in each block in each Professional year
- To oversee that
 - all mentors document a confidential comprehensive record of their mentees activities, academic and co-curricular achievements.
 - During the interaction, Mentors document their observations and also develop a shared action plan to guide the students to enhance their professional growth.
 - In addition, at the end of each academic year, mentors once again, assess their mentees and a final report is submitted to the Dean

Responsibility of Members:

- To coordinate the Mentor Mentee programme in respective departments and submit quarterly reports to Convener
- To identify students who need support and arrange meeting with student counsellor and respective mentor in coordination with Assistant Registrar
- Periodic follow up of such students
